Rules Specific to the Belted Galloway Show

Sanctioned by the U.S. Belted Galloway Society, Inc.

- Registration.** Animals must be registered in the U.S. Belted Galloway Society, Inc. Herd Book or recorded in the Appendix, or Canadian Belted Galloway Association Herd Book. Animals must be properly marked, in good physical condition, and typical of the breed in conformation. Good physical condition shall include, but not be limited to, the absence of any infectious condition such as ringworm or warts.
- Papers and Tattoos.** Original registration papers will be required to check in at World Beef Expo. A superintendent or breed representative must be able to identify a match between the animal's tattoo(s) and the registration papers. Animals without a visible tattoo, or with a tattoo that does not match the corresponding registration paper, will not be allowed to show.
- Showmanship.** There will be two classes of showmanship: one for exhibitors age 8-14 and another for exhibitors age 15-21. To compete in showmanship with an animal, the exhibitor must be a junior member of the Society and be 8 years of age or older (as of January 1, 2010). Proof of age may be required. No bulls over seven (7) months of age may be used in showmanship. Animals deemed unruly or dangerous while in the ring may be dismissed at the judge's discretion. Only one handler per animal will be allowed in the ring during showmanship.
Pee Wee Showmanship. This class is open to junior members *under 8 years of age* (as of January 1, 2010). Pee Wee showmen register at World Beef Expo with the breed representative.
- Nose Rings.** All bulls twelve (12) months of age or older are required to have a nose ring and must have a lead attached to the ring whenever being led.
- Animal Security.** Unattended animals must be double-tied with halters, neck ropes, or two halters/two neck ropes.
- Class Size.** The Show Committee reserves the right to split or combine classes as they find appropriate.
- Staging Area.** Exhibitors are expected to have entries in the show staging area before their class is called. Animals who do not enter the show ring within three minutes of the announcer's final call forfeit the right to compete in that class.
- Unethical Fitting.** The Show Committee reserves the right to disqualify any animal that has been fitted in an unethical manner. Unethical fitting shall include, but not be limited to: Any injections of gas, solid or liquid under the skin to alter conformation; any additions of artificial tail heads or polls; surgical alteration or the animal's shape; dyeing or coloring which alters the animal's natural color pattern. Artificially filling animals internally (pumping) is strictly prohibited.

9. **Protests.** Decisions of the judge(s) are final, except where mistake, fraud or misrepresentation is proven. Protests must be submitted in writing following World Beef Expo protest guidelines as identified in the General Rules & Regulations.
10. **Interference with Judge.** Interference with or disrespect to the judge(s) by any exhibitor during the performance of his/her duties shall be deemed grounds for immediate disqualification and subject to further sanctions, as detailed in the World Beef Expo General Rules & Regulations.
11. **Qualification of Bulls.** In order to compete in bull classes, each bull must have two visible and descended testicles. No cryptorchids will be allowed to compete.
12. **Exhibitor Compliance.** Exhibitors are expected to comply with all rules and regulations of the U.S. Belted Galloway Society, Inc. and of World Beef Expo, or be subject to the consequences as identified in those rules and regulations.
