2010 World Beef Expo Youth Sweepstakes Results

Youth from over 6 different states participated in the Youth Sweepstakes Contest at the 2010 World Beef Expo. The sweepstakes competition tests the knowledge of youth in the following areas: public speaking, livestock judging, herdsmanship, sales talk, photo journalism, showmanship, live placing of their beef animal. Youth place individually in each area and overall by combining the youth's top 4 scores. This event gives youth an opportunity to showcase their knowledge of beef and the beef industry.
