Comments from the sale manager...

Welcome to the 2011 World Beef Expo Elite Sale! This is our 19th year of cattle sales at World Beef Expo, and we are proud to bring you another outstanding sale offering. This is the year of exciting changes for the sale. A parade of show cattle has been added where breed and prospect champions will be selected. After the sale the champions will then return to the ring to compete for Overall Elite Sale Champions and breeder/buyer jackpot awards. All activities will be located in the Wisconsin State Fair Coliseum. Again this year the sale will be broadcast live at www.edjecast.com. You may register online up to sale time however we encourage you to do so at least 24 hours before the sale. The cattle in this sale have great potential to succeed in both the showing and pasture. We invite you to attend and buy with confidence. We look forward to seeing you on September 24 at Wisconsin State Fair Park!

Thank you,
Kim Johnson, World Beef Expo Sale Manager

In offering Barb J186 we are bringing you one of our very best. Her dam was the high selling lot over all breeds at the 2009 WBE Sale and a 2-time Jr. National Class Winner. Barb's sire is a good Online son out of an exceptional 29F daughter that is breeding beyond our expectations. Her pedigree is stacked with the most influential sires of the past decade. Highlight 579 is confirmed to be carrying a full sister to Barb, making our decision to offer her for your appraisal a bit easier. Don't miss this unique opportunity as she will breed on – the individual's behind her guarantee it!

We are selling two of our top heifer calves only because we have had so many this year. Both will make excellent show prospects. Their sires speak for themselves — CRR About Time 743 and PFV Boomerang 064. They may be a little green at sale time since we don't creep feed until the first of August, but boy, will they grow. Take a good look at the two we are bringing, they will make an excellent addition to any herd.

KCJ Angus features **MSU Net Worth 807**

MSU Net Worth 807 is an easy keeper in terms of fleshing ability and temperament. He has a tremendous disposition and is always in great condition. MSU Net Worth was a calf champion in Denver and the 2010 World Beef Expo Reserve Grand Champion Bull.

MSU Net Worth's EPD's and the Pfizer 50K test make him a proven leader in the Angus breed. A BW EPD 2.1 and in the top 3% of the breed for Average Daily Gain, you can expect plenty of growth out of this calving ease bull. He is also in the top 20% for Weaning Weight and the top 15% for Yearling Weight. His tenderness and ribeye scores are in the top 30 percentile. Maternal qualities include great udders, easy fleshing and excellent milkers.

Check him out on the web at www.cattlevisions.com. Or contact KCJ Angus, Kevin & Colleen Zimmerman at 608 348-4956, cell 608 778-9553 or email kcjangus@yahoo.com. Check us out in the barn as we have two of his daughters here at the 2011 World Beef Expo, and his daughter KCJ Ellie, born 3/30/2011, sells in the Elite Cattle sale.
