

I'm Kelliann Blazek, and I grew up raising cattle on my family's farm in Wisconsin. I showed at World Beef Expo as a junior and have been a junior show superintendent since 2012, so it's a full circle moment to serve on the board now. I'm excited to help plan a top notch show and give kids an opportunity to shine in the show ring. I'm an attorney and work on agriculture and rural policy.
